Hi Bill and David,  
Phil mentioned that this draft memo and guidance checklist on Aquifer Exemption request was discussed at the National UIC managers meeting in DC last week. The draft memo will be discussed further at the upcoming OW Hot Issues call in mid-July. We have commented on the draft memo and Phil thinks it will help forge a more consistent review process of Aquifer Exemption requests.

We can schedule a briefing for you if you would like one. Let me know.

Thanks,  
Jim
